NURSE CALL BUTTON IP67 DIN8

Code : **9415054**

Model : **LLC-750**

Description:
Call handset with male DIN-8 connector for LLC-80x and LLC-90x wall bases. Easy to clean thanks to the antibacterial coating on its front panel and its IP67 protection. Its red Braille call button makes it easy to call nursing staff, while the red LED indicates the call status and the yellow LED shows the connection status.
