

912 TV-SAT AND MODULATOR EQUIPMENT

FRAME D47 FOR PSU AND 9 MODULES

Code : **9120233**

Model : **SP-244**

Support frame for 912-series headends. It can hold up to one power supply, one amplifier and 8 modules, or one power supply and 9 modules. There is a 47 mm distance between modules to allow for better heat dissipation.
