912 TV-SAT AND MODULATOR EQUIPMENT

POWER SUPPLY 50 W (230/240 VAC)

Code : **9120245**

Model : **FA-410**

Description
Switching power supply, which permits the installation of an amplifier and different modules on the support frame. Power supply with a flat cable of 20 lines for different feed voltages.

Applications
Required for feeding the modules of the equipment.

Characteristics
Protected against power surges, overloads and short-circuits. Zamak chassis with side gills to facilitate proper ventilation. Supplied with power cable.
