

## MECHANICAL ACCESSOIRES

1/4" CABLE CLAMPS

Code: 9980058

Model : **AC-014** 

## Description

Material for the installation of guy wires in masts, telescopic masts or towers of great length.

## **Applications**

The wire ropes are fixed to the mast by means of a ring clamp for masts up to  $\emptyset 40$  mm or are fixed directly to the three tubes of the tower. Ring-headed expanding bolts are used to secure them to the floor or roof.

## Characteristics

Steel wire ropes of  $\emptyset 3$  mm. Wire rope grips for wire ropes of  $\emptyset 3$  mm and  $\emptyset 6$  mm and turnbuckles.
