916 FIBRE OPTIC DISTRIBUTION

OUTDOOR DROP CABLE, 2 X F.O.

Code : **9160019**

Model : **FOC-100**

Description
Cable with 2 tight-buffered single-mode fibres for outdoor installation, G.657A2 type. LSZH sheathing. Single-tube cable which protects the 2 optical fibres. Protection against pulling and twisting thanks to its inner nylon guide and to its inner lining of aramide yarn.

CODE		9160019
MODEL		FOC-100
Fibre type		Tight-buffered single-mode
Number of fibres		
Tight-buffered fibre	mmØ	
External cover diameter	mmØ	4.9
External cover		Black, LSZH
Strength members		Aramid yarns
Tensile strength	N	
Minimum bending radius	mm	
Operating temperature	°C	-30 a +70
Cable weight	Kg/Km	
Standards		UIT-T G.657A2, EN 187000, IEC 60793, IEC 60794
Units per packing	m	
Packing weight	Kg	
Packing dimensions	mm	750 x 750 x 375
