941 SENSORS AND ACTUATORS

1ST & 2ND PRESENCE BUTTON

Code : **9410037**

Model : **LLC-131**

Description
Room peripheral with two buttons: a presence button with a green LED for the nurse, and a presence button with yellow light for their assistant. This peripheral allows the nurse to indicate the start and/or end of their presence in the room by activating the green present/away button, while the green LED allows to identify the presence status of the nurse in the room. Likewise, their assistant indicates their presence using the yellow present/away button. Wall or surface mount.
