BATHROOM CALL UNIT WITH CANCELLATION

Code : **9410260**

Model : **LLC-421**

Description:
Rectangular touch-operated bathroom pull cord equipped with a two-metre cord, two buttons (call and cancel) and a red reassurance LED. Easy to clean thanks to the antibacterial coating on its front panel. An emergency call can be initiated by pulling the cord or pressing the red call button. The red LED indicates the call status, and the call can be cancelled using the corresponding button. It also features an anti-strangulation mechanism that facilitates separation of the cord into two parts to reduce the risk of accidents. Flush-mounted installation.
