IP LOCATION CENTRAL - 4 DOORS

Code : **9430092**

Model : **CER-150**

Description

The CER-150 is a location system control unit capable of managing up to 4 zones. Fully integrated with the ALCAD NURSE CALL system, it allows for the execution of different actions (activation of outputs) depending on the tag, activation zone, and associated profile (authorized access, unauthorized access, or bypass). DIN rail mounting.
