963 DOOR ENTRY SYSTEM MONITORS

HANDS-FREE 4 INCH 2-WIRE ENARA MONITOR

Code : **9630075**

Model : **MVC-140**

Description

It is the most compact monitor on the market. The compact size makes Enara the perfect monitor for replacements where space is limited. Its new neutral and minimalist design combines perfectly with any kind of decoration in your home, from the most classic to the most avant-garde. The modern capacitive technology used for the touch buttons ensures a reliable and long-lasting operation, and as there are no electrical contacts or moving parts, the accumulation of dirt that affects the operation of traditional push-buttons is avoided. The Enara monitor has a very useful function so that nobody interrupts your rest time: the "Don't disturb" function. Its large 4-inch flat screen allows you to identify the person making the call with total clarity and security and also, the on-screen menu allows you to adjust the image to achieve optimal performance in any lighting situation.

CÓDIGO-CODE-CODE	9630075
MODELO-MODEL-MODELE	MVC-140
System	2 wires
Screen	TFT Colour 4”
