BATHROOM CALL UNIT WITH CANCELLATION

Code : **9410316**

Model : **LLC-721**

Description
Bathroom peripheral with pull-cord of call of 2m, push button with red LED indicator and cancellation button. Allows the patient to launch a call by pulling the pull-cord or from the red call button. Once the patient call is initiated, the red LED indicator allows easy identification of call status. Product has an anti-strangle mechanism that allows the separation of the pull-cord into 2 parts avoiding accidents. The LLC-121 has a red ball at the lower end that allows the patient to easily locate of the pull-cord. Bus peripheral with RJ45 connector. Recessed or superficial installation.
