NURSE CALL & PRESENCE BUTTON

Code : **9410324**

Model : **LLC-742**

Description
Room peripheral with two buttons: a nurse call button with a red LED and a nurse presence button with a green LED. This peripheral allows patients to call the nurse with the red button. Once initiated the call, the red LED helps to locate the origin of the call easily. The green button is used to either indicate that the nurse is present or to cancel the call. Bus peripheral with RJ45 connector. Wall or surface mount.
