912 TV-SAT AND MODULATOR EQUIPMENT

FRAME D47 FOR 2 PSU AND 8 MODULES

Code : **9120257**

Model : **SP-245**

Support frame for 912-series headends with redundant power supplies. It can hold up to 2 power supplies, one amplifier and 7 modules, or 2 power supplies and 8 modules. There is a 47 mm distance between modules to allow for better heat disipation.
