940 CONTROLLERS

SPLITTER POE OF 24VDC & 1A

Code : **9400318**

Model : **ACC-078**

The PoE Splitter for the CHC-129 allows to easily power the terminals of any installation with a PoE Ethernet network.
This accessory guarantees a clean, fast and effective installation of the ACCURO and LIVERO elements.
You will only need to connect the CHC-129 terminal with this accessory to the ethernet network and automatically the system will be powered and connected to the complete ecosystem of ALCAD.

Código / Code	9400318
Modelo / Model / Modèle	**ACC-078**
Conector Connector Connecteur	1 RG45 macho, 1 RJ45 hembra, 2 hilos 1 RG45 male, 1 RJ45 female, 2 wires 1 RG45 mâle, 1 RJ45 femelle, 2 fils
Alimentación Power supply Alimentation	24VDC/1A
Dimensiones Size Dimensions	80x55x23mm
Peso Weight Poids	80gr
Material Matériel	Plástico /Plastic / Plastique
Color Couleur	NEGRO / BLACK / NOIRE
Temperatura operacional Operating temperature Température de fonctionnement	5-55°C
Electromagnetico / Electromagnetic / Électromagnétique	FCC Part15, Class B
Regulacion / Regulation / Électromagnétique	IEE 802.3at IEE 802.3 IEE 802.3u IEE 802.3ab RoHS, CE, FCC
Conector de red Net Connector Connexion	RJ45 10/100/1000M, PoE Standard: IEEE802.3at
