

940 CONTROLLERS

SPLITTER POE FOR CHC-129

Code: 9400318

Model: ACC-078

The PoE Splitter for the CHC-129 allows to easily power the terminals of any installation with a PoE Ethernet network.

This accessory guarantees a clean, fast and effective installation of the ACCURO and LIVERO elements.

You will only need to connect the CHC-129 terminal with this accessory to the ethernet network and automatically the system will be powered and connected to the complete ecosystem of ALCAD.

Código / Code	9400318
Modelo / Model / Modèle	ACC-078
Conector	1 RG45 macho, 1 RJ45 hembra, 2 hilos
Connector	1 RG45 male, 1 RJ45 female, 2 wires
Connecteur	1 RG45 mâle, 1 RJ45 femelle, 2 fils
Alimentación	
Power supply	24VDC/1A
Alimentation
