

941 SENSORS AND ACTUATORS

AUDIO. COM. UNI. DIN8 1 GREEN BUTTON

Code : **9415030**

Model : **MCA-902**

The two-way communication module provides excellent voice communication in those places where it is required and allows calls to be made through the handset connected through the DIN8 connector and its subsequent presence / cancellation by means of the button on the module. The MCA-xxx modules can be installed at multiple points and controlled by a single control terminal (CHC-401), which allows sensitive material to be moved away from the communicator installation point and to obtain a high degree of protection and security.

Alcad's communication module can be combined with other ACCURO or LIVERO elements to offer a complete ecosystem.

CÓDIGO	9415030
MODELO	MCA-902
DIMENSIONES	75 x 120 x 45 mm
ALIMENTACION	24VDC
ACABADO	ABS
PULSADOR	Verde para presencia y cancelación
TEMPERATURA DE FUNCIONAMIENTO	De 5°C a 55°C
GRADO DE PROTECCION	IP42
PRESION DE SONIDO	85dB
ALTAVOZ	8 ohm, 1,5W
SIPV2	Session Initiation Protocol Version 2
CÓDEC	G.711 (Ley A) (64 Kbps)
CONEXION DE PERA	DIN8
CONECTOR	RJ-45 /RS-485
