974 ACCESSORIES FOR ENTRANCE PANELS

SING. HOOD FOR 2 WIND. FRAME. 1-2 ST.

Code : **9740251**

Model : **VIS-312**

Description
Accessory for entrance panel. To be used to protect the entrance panel from inclement weather, such as rain or snow.

There are hoods for single, double or triple entrance panels, so it is possible to combine several entrance panels. Remember that to align the panel perfectly you have to use separators for flush-mounted box.

It is also recommended to seal the hood to the wall with a joint sealing compound or silicone, depending on the material of the façade.

This hood is suitable for a 2 windows single entrance panel (1-2 storeys)
