973 ACCESSORIES

SPLITTER 2 OUTPUTS. 2-WIRE

Code : **9730082**

Model : **DIV-152**

Description
Accessorie for Door Entry System installations. Splitter for 2-wire system. 2 outputs. Makes it possible to perform installations where it is necessary to distribute the signal of the two-wire system to different branch-offs. Up to 2 outputs or separate branch-offs. Power is supplied directly through the BUS, necessitating no additional wires.
