PULSADOR LLAMADA IP65 (V)

Código : **9410211**

Modelo : **LLC-522**

Description
Waterproof room peripheral with a patient call push-button with green LED indicator. It allows starting a patient call by pressing the call push-button or using connected patient handset. Once a patient call has been started the green LED indicator stands steady ON until the call is cancelled by a nurse presence in the room. Easy to clean antimicrobial cover. Flush mounting. Suitable for installing in bathrooms and wet environments.
